In the event that there are no fish weighed, the boat with the most release points will win the jackpot. All released fish must have a photo taken of the fish prior to the fish being released. No photo, no points! All places will be paid, so in the event that less than five fish are weighed, the remainder of the money will be to the teams with the most release points, who have not weighed a fish. In the event of a tie, first fish boated or released by release time will win. **Captains must remove the fish from the dock prior to 6:00 pm or fish will be disqualified from prize category.** 300 Release points will be awarded to all billfish released.
